Re: FOIA Request—Former Thompson Chemical/Superior Solvents Site

Dear Ms. Albano:

Pursuant to the Freedom of Information Act (FOIA), I am requesting copies of the following described materials received or maintained by or in the possession of EPA Region 7 and relating to the Former Thompson Chemical/Superior Solvents Site:

1. Any and all documents, correspondence, agreements, contracts, records or other materials documenting, reflecting or relating to the alleged presence or operation of a conduit, pipeline or other conveyance connecting or running between Laclede Gas Company and any entity, including but not limited to Barrett Manufacturing Company and Barrett Paving Materials, Inc., that operated at the Former Thompson Chemical/Superior Solvents Site located at or near 60 Choteau Ave, St. Louis, Missouri.
2. Any and all documents, correspondence, agreements, contracts, records or other materials documenting, allegedly reflecting or relating to the sale, transportation, disposal or transfer of coal tar, creosote or other manufactured gas by-products from Laclede Gas Company to any entity, including but not limited to Barrett Manufacturing Company and Barrett Paving Materials, Inc., that operated at the Former Thompson Chemical/Superior Solvents Site located at or near 60 Choteau Ave, St. Louis, Missouri.
3. Any and all documents, correspondence, agreements, contracts, records or other materials allegedly documenting, reflecting or relating to any business relationship or dealings between Laclede Gas Company and any entity, including but not limited to Barrett Manufacturing Company and Barrett Paving Materials, Inc., that operated at the Former Thompson Chemical/Superior Solvents Site located at or near 60 Choteau Ave, St. Louis, Missouri.
4. Any and all documents, correspondence, agreements, contracts, records or other materials allegedly documenting, reflecting or relating to any disposal, release or contribution of

contaminants or pollutants by Laclede Gas Company to the Former Thompson Chemical/Superior Solvents Site located at or near 60 Choteau Ave, St. Louis, Missouri.

5. Report entitled *Remedial Action Program for Tank Removal and Containerization of Contaminated Sludges and Soils at Superior Solvent Company*, prepared by REACT and dated March 3, 1988

Please contact me in advance if the costs in responding to this request will exceed \$100.00.

If you deny any or all of this request, please cite each specific exemption you claim justifies the refusal to release the information.

Thank you in advance for your assistance and should you have any questions or need further clarification, please feel free to contact me

Sincerely,

Thompson Coburn LLP
